

# Kitty's Vacation Bag Checklist

**To bring your pets belongings they must be in one of our vacation bags.**

- Food
  - Dry food must be placed in a container or Ziplock bag that will fit inside of our vacation bag.
  - Canned food can remain in the original container.
  - All extras such as rice, pumpkin, green beans, etc. should be placed in a sealable container.
- Medications/Supplements
  - Medications must remain in pill bottles/package with a vet label.
  - Supplements must be in original container
  - Bring any “tricks” that may be used for pill administration
  - Any medications found in food bags will NOT be given
- Special Litter
  - We do supply litter for your feline family, but if your pet requires a certain type of litter, you will need to bring that in.
- Toys
  - Safe toys are welcome, but please limit the number of toys to (2).
- Treats
  - All treats are welcome!
- Bedding
  - For your pet's safety and comfort, please leave all beds, blankets, towels, shirts, and pillows at home as we supply all of your kitty's needs. This will enable us to give your pet fresh, clean, and dry bedding daily.
- Dishes
  - Please leave all bowls and dishes at home. We use stainless steel bowls which are washed and sanitized daily.

**\*\*\* Vacation Bags are available for \$6.**
