

## Pup's Vacation Bag Checklist

**To bring your pets belongings they must be in one of our vacation bags.**

- Food
  - Dry food must be placed in a container or Ziplock bag that will fit inside of our vacation bag. No large containers or no large bags of food.
  - Canned food can remain in the original container. Keep in mind a can of food is only good for 3 days once it is opened.
  - All extras such as rice, pumpkin, green beans, etc. should be placed in a sealable container.
- Medications/Supplements
  - Medications must remain in pill bottles/package with a vet label or we will not be able to administer.
  - Supplements must be in original container
  - Bring any “tricks” that may be used for pill administration.
  - Any medications found in food bags will NOT be given
- Toys
  - Kongs are welcome
  - Please leave all rope toys, stuffed animals, squeaky toys with stuffing, and other soft toys at home. Please limit the toys to (2).
- Treats
  - All treats are welcome!
- Bedding
  - For your pet's safety and comfort, please leave all beds, blankets, towels, shirts, and pillows at home as we supply all of your pup's needs. This will enable us to give your pet fresh, clean, and dry bedding daily.
- Dishes
  - Please leave all bowls and dishes at home. We use stainless steel bowls which are washed and sanitized daily.

**\*\*\*Vacation Bags are available for \$6.**
